INTRODUCING RESTLESS OCEANS:

Hailing from the lush landscapes of Oxfordshire, UK, Restless Oceans is a musical revelation that effortlessly combines the distinctive voice of **Dave Wood** with the velvety smooth tones of **Wendy Grace**. Dave plays rhythm guitar and mandolin alongside **Oskar Wallen** on lead guitar who carefully weaves catchy, upbeat riffs and harmonies into the songs. This is all underpinned by the powerhouse rhythm section of **Josh Clark** on bass and **Ben Middleton** on percussion.
