

"THANK YOU FOR YOUR PRESENCE AND TALENT. YOU'RE AMAZING!" - AFRO CELT SOUND SYSTEM

**UK Acoustic indie folk, infused with rock and pop. For fans of Fleet Foxes, The Waterboys, The Wandering Hearts, Fleetwood Mac, James Taylor**

Restless Oceans taps into an eclectic blend of influences including Americana, folk, indie, rock, and pop. This musical melting pot creates a warm, inviting, and entirely unique sound. Enchanting instrumental performances, lyrics that stir the soul, and unforgettable melodies that prompt audience sing-alongs define the electrifying experience of a Restless Oceans live show.

"GREAT BAND. GET THEM BOOKED!" - PLUMHALL

## INTRODUCING RESTLESS OCEANS:

Hailing from Oxfordshire, UK, Restless Oceans effortlessly combines the distinctive voice of **Dave Wood** with the velvety smooth tones of **Wendy Grace**. Dave plays rhythm guitar and mandolin alongside **Oskar Wallen** on lead guitar who carefully weaves catchy, upbeat riffs and harmonies into the songs. This is all underpinned by the powerhouse rhythm section of **Josh Clark** on bass and **Ben Middleton** on percussion. The icing on the cake is Wendy's soaring violin work, which brings this exciting band's songs into glorious technicolour.
